## **ASAMBE 2026: Supporting Young Minds**

The **ASAMBE event** is an initiative that not only raises funds for **Cordwalles**, but also embodies our commitment to community engagement, with 10% of the profit donated to **Ashdown Primary School** in Edendale.

With the funds raised, we hope to enhance educational resources and create more opportunities that enrich

the learning experience for the learners from **Ashdown Primary**. Through this ongoing partnership, we aim to make a lasting and meaningful impact, strengthening both schools and uplifting the wider community we proudly serve.
